Subject: Changes to Day of Possibilities Ministry April 18th , 2026

Dear Brothers, Sisters, and Friends of the Church,

Unfortunately, we are forced to cancel the program scheduled for this coming Sabbath, April 18th. The volunteers, band members, network facilitators and others who had prepared for this coming Saturday regret this, but we have received too few registrations. As good stewards, we must be able to account for the time, resources, and effort invested in every program, and in our opinion, that is not possible here.

We observe that precisely those for whom we had designed the program are unable to attend. Some have no transportation; even customized transport is budgeted so tightly that it is too expensive to come to Utrecht. Others depend on paid care services, which are not available to provide the necessary care outside of the standard schedule. A third group has too much care, stress, and problems on their plate; they cannot rearrange their schedules, energy, and rest this coming Sabbath to attend.

We, Gabriel, Tabitha & Guisèle, fully understand this. Our desire to serve you from the Possibilities Ministry was and is great. We thought that a program on Sabbath afternoon was the best way, but you have made us realize that we need to support you in other ways.

Instead of the announced program, we will be having a conversation with each other, and hopefully with you, via Zoom. We would like to share our thoughts and suggestions to encourage inclusion, space and opportunities in our congregations. We are convinced that everyone who believes in Jesus, regardless of their limitations, may and can contribute to the commission we have received from Jesus. We are very convinced that within our church there is room and opportunities for all who wish to share their faith.

Disabilities can play a role in people's lives, whether physical, psychological, or intellectual. As a team, we would also like to map out what needs and requirements exist. Only in this way can solutions and new possibilities emerge in the future. So, join us this coming Sabbath! Come and talk with us by Zoom.
